HAMBURG BRANCH e.V.

## **RAeS Hamburg Branch Visit to Toulouse 2017 Preliminary Information**

This year we are planning a visit to Toulouse. The dates are Thursday 8 to Sunday 11 June. However participants are expected to make their own travel arrangements so that the visit can be shortened or extended as required.

Direct flights are available with Eurowings from Ham>Tls on Mon, Wed, Fri & Sun at 10.05 and from Tls>Ham on Sun, Mon, Wed, & Fri at 20.00.

EasyJet flies direct every day from Berlin Schoenefeld to Tls, so train (or even bus) from Hamburg to Berlin and then EasyJet to Tls might be an alternative and could be cheaper.

There are of course several one-stop flight alternatives from Hamburg which can be considered.

The planned visits are

- Airbus (of course)
- Aeroscopia Museum
- Toulouse city
- Carcassone
- On the evening of Friday 9 June we are invited to attend the annual dinner of the RAeS Toulouse Branch at Chateau de Larroque a nice location one hour's drive west of Toulouse. There will also be a guest speaker.

We will arrange a block booking at a city centre hotel such as Ibis. We will provide a bus for transport.

The full details and costs are still being defined but in order to help us plan this visit we would like to know how many people would be interested in participating. So could you please reply to [events@raes-hamburg.de](mailto:events@raes-hamburg.de) if you are interested.
